

## Client Care Policy

Everyone in our firm is committed to providing a first-class service to you, our client. Our Client Care Policy describes what this commitment means in practice and what you can expect from us. In brief:

- **We will always try to ensure that we put you first.**
- **We aim to achieve the very best results for you.**
- **We will always act professionally.**

In order to achieve the highest standards of client care, the staff of Waddington Turner Wall (WTW) and Foster Law Solicitors will:

- Provide you with a high quality, professional and consistent service, delivered in a timely manner and considering your needs and circumstances.
- Always act in a respectful and courteous manner.
- Always treat you fairly.
- Be open and honest.
- Give clear and concise legal advice.
- Use plain English wherever possible and explain any legal terms or references.
- Provide you with clear information about how your case will be managed and if there are alternative courses of action, such as mediation, we will provide you with the relevant details.
- Represent your best interests and act with integrity.
- Ensure they communicate effectively and, wherever possible, in a format that suits you i.e. letter, telephone, email, text, fax;
- Act in accordance with the Solicitors' Code of Conduct 2011 and other relevant regulatory requirements.
- Provide you with the details of any costs involved (in some cases this will be estimate), and provide regular updates on the costs incurred or in the circumstances where the costs are likely to increase the original amount advised e.g. to cover the costs of an expert or barrister.
- Provide a number of payment options so that you can choose an option that best suits your financial situation and therefore avoid unexpected and/or large one-off invoices.
- Advise you if interest is going to be incurred on an outstanding balance.
- Inform you that the complaints procedure is available in paper form or downloadable from the WTW website. This includes all the relevant details about the Legal Ombudsman.

## **Client Care Letter**

Once we take on your case/matter we issue a client care letter which explains in detail the level of service you will receive. In addition, we will name the person responsible for your case, their position in the practice and their qualifications. Where appropriate, we will also give you the name of the supervisor responsible for overseeing and monitoring the case. If in the future there is a reason to complain about the service you have received then the details of our Client Care manager will be provided.

## **Feedback and Testimonials**

In order that we can continually improve our service, we actively encourage and value feedback from our clients. We may in the future look to new methods to gain this feedback, including online surveys.
